

Summer 2024

LANCASTER

COUNTY LIBRARY

Adventure is out there!

Summer Reading was a blast this summer with awesome performers, record attendance, and many hours/pages read by our patrons!

Thousands attended our programs this summer. What a joy to see the smiling faces of children and adults as they collected prizes for reading. Lancaster County Library is THE place for our community to gather for a quiet space, a business meeting, and even for summer fun.

Take a look at our fall programming.

We look forward to seeing you,

"We have had so much fun this summer! My favorite part of Summer Reading is just getting to see all the smiling faces of families as they enjoy all the programming the library has to offer. We have done a little bit of everything this summer: learning about animals, getting to pie staff members in the face, taking adventures with storytellers, making things explode, creating many fun crafts, and most of all, reading a lot of books!"

"Summer seemed to fly by this year at the Del Webb Library! We had a ton of fun programs to keep families busy indoors such as special performers, crafts, STEAM activities, Pokémon Club, Teen/Tween Time, story times, and Lego club. There were lots of new and returning friends to our library this summer, and we love to see everyone visit and enjoy the programming we do. Thank you everyone for going on an adventure with us this summer!"

"The Kershaw Branch has had a wonderful summer filled with rhymes, crafts, marathon reading, and laughs! From our adult book club meetings to Friday fun days, we strengthened friendships and forged new ones! Preschool Storytime has been a whirlwind of little patrons enjoying summer-themed books and fingerplays. Our elementary-aged friends, meanwhile, enjoyed ridiculously hilarious readings with open-ended crafts!"

What's your favorite summer read?

 "Summer of the Monkeys by Wilson Rawls. It's about a boy and his dog rounding up monkeys that escape into the mountains after a circus train derails. This is my favorite summer read because it is a comedy of errors with THE most touching conclusion!" - Sydney H

 "Summer Camp for Slasher Victims by Matthew Mercer. It was just so nostalgically campy!" - Erica R

 "Five Survive by Holly Jackson. Young adult thriller about six teenagers trapped on a broken-down RV in SC being held hostage by snipers until one of them spills their buried secret. Friendship, betrayal, comedy, heartbreak, this book had it all wrapped up in a delightful edge of your seat suspense that keeps you guessing who is not going to survive the night."
